

WESTERN DISTRICTS BILLIARDS AND SNOOKER ASSOCIATION

EXECUTIVE COMMITTEE – MEDIA - PUBLICITY REPORT

JANUARY 23rd 2020 - Steve Fabian

1. The Website:

The domain wbsa . com . au is still registered and parked at NetRegistry.

I have approached the ABSC committee - Adam Wyatt/Alex Render/Frank Dewens on a number of occasions with not even a reply. Extremely frustrating to say the least.

A reliable committee email service will be available as a priority once approved. I am suggesting a free service such as Outlook .com (formerly hotmail) but even better a paid premium service [\$130. p.a.] which offers;

- Automatic deactivation of unsafe links that contain phishing scams, viruses, or malware;
- Ransomware detection and recovery for your important files in OneDrive;
- 6 email addresses - office 365 - Calendar Integration - Ad Free;
- 50GB of email storage + 5GB One Drive File Storage;
- An App version for easy access anywhere.
- Message Encryption
- A Custom Domain name - i.e. - wdbilliards.snookerphotos.com - (must have an active Go-Daddy Domain = extra cost) This could be integrated with our other online presence.

2. Facebook:

The page has had a minor changes and updates.

The latest images are of the Awards Presentation Night held at BWC December 12th and attended by between 96-100 people.

We need to utilise FB for communications more until the website situation is resolved.

3. Team App:

I have come to the conclusion that Team App is not suited to our members at this point in time.

That's all for now.
